### SHOW TIME PREPARATION

**AFL** Tell children that role-playing the story is something they can do as part of the end-of-the-year Show Time! ## BEFORE PAGE 10

 **Sing the “Amazing Nature” Song**  
A20 Have children stand and form a circle. Play the audio and use mime when appropriate. Have children mimic you. Then play the audio again and invite children to join in when they can.

## Who Makes Honey?

Show children a jar of honey. Say *Mmm* and rub your tummy. Invite children to mimic you. Elicit what is in the jar or tell children that it is honey. Then ask: *Who makes honey?* Make a buzzing sound and pretend to fly around the room. Elicit: *Bees*. Tell children that they are going to learn about honey and bees today.

## DURING PAGE 10

## 8 Look closely. Cut out and paste the cutouts in order.

Display page 10. Point to the honeycomb and say: *This is a honeycomb*. Have children repeat *honeycomb* after you. Say: *Bees work together to make a honeycomb. They build honeycombs to store honey*. Then show a jar of honey. Say: *This is honey*. Ask children: *Do you like honey?* Next, direct children to the Cutouts on page 10. Encourage children to cut them out and to put some glue on the back of each picture. Then ask children to paste the Cutouts in the shaded areas in the corresponding order: The bee lands on a flower to pick up nectar. Bees work together to make honeycombs. People take the honey out of the honeycombs and store it in jars to eat.

## AFTER PAGE 10

 **Sing the Target Song**  
A8 Play Audio A8 and invite children to join in singing when they can. Show the corresponding Picture Card each time a school person is mentioned. Then invite volunteers who are ready to sing with the audio to perform the song. Invite each child to sing the names of the school workers as you hold up the appropriate Picture Cards. At the end, applaud all children.

## Drawing Honeycombs!

Tell children that a honeycomb is a special shape made of six sides. Draw a hexagon on the board and say: *This is a honeycomb*. Count the sides of the shape as a class. Then hand out paper and invite children to draw a honeycomb, using your model on the board to help them. When finished, have children hold up their drawings for the rest of the class to see.

 See Workbook page 9.

## EXTRA ACTIVITY

### Busy Bees

Assign half of the class to be “bees” and the other to be “flowers.” Hand out a sheet of colored paper to each flower and have them stand around the classroom. Invite each bee to buzz around the classroom and tap each flower to start the process of making honey. Once all bees have visited each flower, have them congregate at the front of the class and mime making a honeycomb and honey. When finished, have children switch roles.

## DURING PAGE 11

### Make Bees

Before class, assemble the art supplies needed for the project. You will need egg cartons, black and yellow tempera paint, paintbrushes, scissors, tape, and black and blue pipe cleaners. Cut the tops off of the egg cartons and discard them. Cut the bottoms into parts, two egg sections in each part, and give one to each child. Show children page 11 and read the title of the project aloud: *Make Bees*. Then show children how to follow these steps:

1. Fold the piece of egg carton so that the egg sections form a rounded shape. Tape it closed. Say: *Fold and tape.*
2. Paint the bee yellow and wait for the paint to dry. Say: *Paint the bee yellow and wait.*
3. Paint the nose and tail black. Say: *Paint the bee's nose and tail black.*
4. Take two strips of masking tape and paint them black. Wait for them to dry and have children tape them to make the bee's stripes. Say: *Make stripes.*
5. Bend blue pipe cleaners to make wings. Tape them on. Say: *Bend and tape.*
6. Cut black pipe cleaners for antennae. Tape them on. Say: *Cut and tape.*

Point to Happy Caterpillar and read his speech bubble aloud: *How many bees do you see?* Have children count the bees on the page and say the answer aloud: *Two*.

## AFTER PAGE 11

### Sing the "How Many Days?" Song

- To use Assessment for Learning to reflect on their own learning
- To understand and follow simple commands

### Vocabulary

janitor, gym teacher, music teacher, gatekeeper, bus driver, secretary, principal, English teacher, ask, answer, check

### Language

Who is (he)? (He) is the (janitor). What does the (janitor) do? He (cleans our school). Where is the (secretary)? (She) is (in the office).

### BEFORE PAGE 12

#### AFL Stop and Sing

Revisit the songs and chants from Unit 1 (Audios A3, A4, A5, A6, A7, A8, A16, A18, and A20). Then invite a volunteer to the front. Have him/her say *Stop!* when he/she hears a song that he/she likes. Play the audio and encourage the whole class to sing along. You may repeat the procedure with other children and songs.

#### AFL Think about Learning

Review Unit 1 page by page. Have children look at each page attentively and remind them what they learned on each, for example: *What is this? What do you see? Who is (he)? What does (he) do? Where is the (secretary)? What letter is this? How many markers do you see? Do bees work together?* Encourage children to clap if they liked the page or to make a sad face if they didn't.

### DURING PAGE 12

#### 9 Ask, answer, and check.

Have children look at the first picture on the banner. Ask: *Who is he?* Elicit: *He is the janitor.* Then ask: *What does he do?* Direct children to the picture below to help them answer. Lead them into saying: *He cleans our school.* Invite children to flip back to the Vocabulary pages to find a picture of the janitor and check their answer. Next, have children check the box beside the janitor. Continue the procedure for the rest of the school workers. Clap for a job well done!

### AFTER PAGE 12

#### Prepare for Show Time!

Point out the mascot with the flower at the bottom of the page. Direct children to page 110. Help children decide what they liked most from Unit 1. Say: *What I liked most from Unit 1 was learning about bees!* Use an excited voice as you point to the bees on the Amazing page (10). Encourage children to draw what they liked most from Unit 1: a song or chant, the Little Book story, the Amazing project, or just a word. Reassure them that any personal response is fine! Revisit their ideas from Think about Learning.

#### AFL Children Decide!

After children complete their drawings, invite them to display them. Hold up a drawing and say: *(Andrea) liked learning (school workers). (Daniel), did you also like that? What did you like, then?* Provide English language support when needed. Repeat the procedure with the remaining drawings. Take notes on children's preferences so you can determine what to include in the end-of-the-year show.

#### Home-School Connection

Have children take home their drawings to show family members. Help children practice talking about their work so they can use English when they show it to their families.

#### Sing the Target Song

A8 To consolidate what children have learned in the unit, play the Target Song "People at School." First, practice the conversation with Happy Caterpillar. Then encourage children to join in and sing their part.

#### Portfolio

Have children review the things in their Portfolio Envelope to date. Walk to each child's place and have him/her show you his or her favorite work. Make sure children put all pages back inside their Portfolio.
