Giraffes **is / are** from Africa. **It / They** are tall and heavy. They are brown and orange. They **have got / has got** four long legs and small ears. They **have got / haven't got** short necks. They have got a **long / short** necks.

Featured today: April, the Giraffe

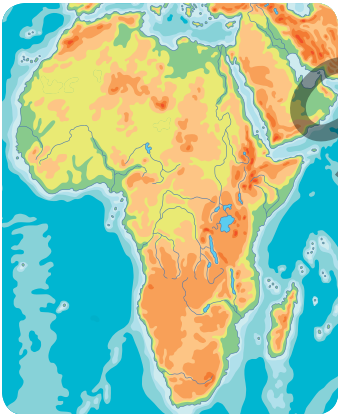

April **is / are** a famous giraffe. She lives in New York. **He / She** is 16 years old. She **have got / has got** small ears. She has got **long / short** legs. She **has got / hasn't got** a short tail.

9 Read about the Akagera National Park in Rwanda. Tick T for true and F for false.

www.akageranationalpark.org

Akagera National Park is in Rwanda, Africa. Different species of wild animals live in the park. There are 88 elephants, 54 giraffes and 15 lions, but there aren't tigers. The park is very big. There are 885 hippos and 999 zebras!

There is a hotel in the park. It is big and comfortable. There is a campsite in the park, too. There isn't a shopping area but there are safaris and fun activities for visitors!

Akagera National Park is fantastic!
